2016 Winner Branch

The West Gippsland Branch was formed in 1984, quite a few of the original Branch Committee Members are still active within the Branch, 33 years on. The Branch runs four major events each year and uses these events to promote to prospective Members.

An Annual Trivia Night with a monster raffle, helps to raise much of their funds that go directly back into the Branch. Recent purchases include a shipping container used to house equipment for Branch Members to use at events and the regular fun/get-together days. The West Gippsland Branch is working towards purchasing more equipment and improving facilities.
