## EMBRYO SALE NOTIFICATION

Must be lodged with Application for Registration of resulting progeny. This form must be completed for sale of embryos, so resulting progeny can be registered under the embryo owner's membership.

### Registered Mare Foaled Naturally (NO Embryo Transfer)

2017 Transfer Fee for Embryo - \$50.00

#### Mare Foaled Naturally: Complete details - page 1 only (below)

- The registered mare gave birth to the foal.
- DNA testing of the foal is not required, if the mare was served naturally.
- All foals resulting from Artificial Insemination must be DNA tested and sire verified.
- The sire must have a DNA profile.

#### Recipient Mare Foaled - Embryo Transfer: Complete details - page 2 only
