GENERAL MANAGER ASHS

Maree Sankey, General Manager has left our organisation to pursue new opportunities.

Maree began with the Society in 2007 in the role of Office Manager and was promoted into the role of General Manager in 2011.

We sincerely wish Maree well and thank her for her achievements whilst with our organisation.

The role of General Manager in our organisation is a busy, demanding and critical role and we will shortly begin the recruitment process which could take a few months. In the meantime our two Team Leaders, Susie O'Brien, Registrar, and the newly appointed Heather Studdy, Team Leader Membership Services, will lead our office and be available for Members.

About the Australian Stock Horse Society

Established in Scone, New South Wales in 1971, the Society is the largest of more than 70 individual breed associations in Australia. It has 66 Branches throughout Australia, with more than 9,500 members and in excess of 180,000 registered horses.

The Society has now formed a Branch in the United States of America which will soon be followed with Branches being formed in Canada and New Zealand.

The successful performance of the Australian Stock Horse has not only been recognised throughout Australia, but through exports to United Kingdom, United States, Canada, New Zealand and Africa. The Society conducts a National Championship on an annual basis to emphasise, highlight and record the success of the breed in the competition arena.
