**DRUGS POLICY** - All horses competing in Australian Stock Horse Society (ASHS) events or being offered at ASH Approved Sales are subject to a No Prohibited Substance rule. This means that no Prohibited Substance is to be administered to the horse in the time before an event or sale such that it, or any ingredient or metabolism of it, might be present in the horse, might be detectable in its blood, saliva and/or urine samples, or might have any effect on its performance at the time of the event or sale.

**A veterinary certificate DOES NOT override or waive the No Prohibited Substance rule.**

The Drugs Policy is published on the Society's website.

## GENETIC DISORDERS

Mandatory testing for genetic disorders has commenced. It is proposed to note any positive test results in respect of a horse (or ancestor) on the Society's Online Stud Book in order that members may be fully informed and make their own assessment in relation to any prospective dealings in respect of any such horse (or ancestor). The Society makes no warranty that any horses included in this sale catalogue are free from any genetic disorder and a Purchaser must rely upon their own inspections, enquiries and assessments in this regard.
