In relation to Approved ASH Sales, members should be familiar with all the Society's Regulations, in particular the following main points:

1. **All horses must be Australian Stock Horse Registered.** If the horse's registration has not been finalised by the close of nominations, the horse will not be accepted into the catalogue.
2. To enter horses in the sale, the vendor must be a **Financial Member of the Society** for the year that the sale will be conducted. The name of the vendor must be the same as the name of the owner under which the horse is currently registered.

A horse may be **REJECTED** from an Approved ASH Sale under the Identification Regulations due to a brand, microchip or marking discrepancy.
6. The Inspector may **REJECT** a horse from the sale if the horse does not comply with the following conditions: The horse should be prepared and presented suitably for the sale.

This means that no Prohibited Substance is to be administered to the horse in the time before an event or sale such that it, or any ingredient or metabolism of it, might be present in the horse, might be detectable in its blood, saliva and/or urine samples, or might have any effect on its performance at the time of the event or sale. **A Veterinary Certificate DOES NOT override or waive the NO Prohibited Substance rule.**
