NATIONAL YOUTH JUDGING FINAL

The National Youth Judging Final has representatives from each Management Council and showcases some of our very best youth in the country. The age limit for National Youth Judging is 15yrs and under 21yrs. At Branch and State level, participants younger than 15yrs can compete but are not eligible for the National Final.

To be eligible for the National Final, competitors must win the State Youth Judging Final conducted within the previous 12 months. If the winner of the State Final is unable to participate in the National Final, the second placegetter becomes eligible to compete.

Management Councils are entitled to only one representative.

Management Councils and Branches are requested to subsidise travelling expenses for the representative to the National Final.

The Society will provide accommodation for participants in the National Final.

A parent or guardian must accompany each competitor, under the age of 18yrs, to the National Final.
