# The Australian Stock Horse Society Chairperson Welcome

I would like to extend a warm welcome to all of our Members who have turned out to promote our great breed at our biggest event that showcases our horses in the show ring. The National Show is a great opportunity to benchmark against other breeders and trainers just how our own programs are progressing.

The environment at our National Show should always be encouraging and supportive of one another as it is also the place where ambitions and dreams are made and sometimes achieved. Sometimes just getting a ribbon at National level is reward enough and encourages that Member to strive to be better, and improvement comes with its own rewards. Never judge people by how many ribbons they have won as some of the best horse people I know have never set foot in a show ring.

Enjoy the comradery of like-minded Members who enjoy

the buzz of competition and the opportunity to compete for a National Championship. For many Members it is the culmination of a year's work. I wish each and every competitor the best of luck and may the best horse always win. I ask that all competitors be respectful of each other and the judges and stewards who are here to do the best job they can to make the National Show a success.

Thank you to the National Show Committee who have put together a program that they hope will satisfy the Members. The program is quite comprehensive and caters for led, hack, working and all other elements of our ASH disciplines. The NSC have selected judges that will be able to judge under the pressure of the big occasion. Once again welcome to the 2026 ASHS National Show.

**"ENJOY THE RIDE"**

## The National Show Committee Chairperson Welcome

Well it's on again, the National Show, the showcase of our wonderful breed of horse, the Australian Stock Horse – "the Breed for Every Need."

As the ASHS National Show Convenor, I would like to welcome each and every one of you to AELEC for the 2026 ASHS National Show. We are here in March for the first time in a number of years and I hope you enjoy the change, as

was requested by a number of competitors.

Once again, this year a number of states have been through some very trying weather events, with floods in Queensland and fires in Victoria and South Australia. My thoughts are with all of those affected.

The ASHS National Show has history, with the National Futurity now at Series 38 and the National Maturity Series 37. Members breed horses especially for these events and I would like to thank them for their continued support of the Breed and the National Show.

A huge Thank You to all the great sponsors who have come on board and supported the National Show, as without your support we would not be able to continue. There will certainly be some lovely craftsmanship on display with the beautiful trophy saddles up for grabs.

To the Judges, I also say thank you for giving your time freely to officiate at the Show and I hope you have a very enjoyable and rewarding experience. I ask all competitors to respect the decision of our Judges and display great sportsmanship toward them and the other competitors.

Cattle donors are also very generous, as without their generosity in the loaning of cattle, we would not be able to show the versatility of our Breed.

Here at the National Show we have the led classes showing the beautiful conformation, the hack classes, working classes, dressage, the speed and precision of the time trial and the natural cattle working ability of the Australian Stock Horse.

This event would not be possible without the commitment of the National Show Committee, who are a very passionate group of people who come together to organise this event. This is not done for any personal gain, just to promote The Australian Stock Horse Society and the magnificent Australian Stock Horse.

I would also like to thank outgoing General Manager Catherine Smith, for all her assistance to help organise this event, Fiona Brooker, and any other staff members who have helped.

I would like to welcome Mark Bradley our new CEO and hope he has an enjoyable and rewarding time with the ASHS.

Lastly thank you to all of the competitors who have supported the 2026 ASHS National Show. I know it is a big undertaking to get here to AELEC and I hope you have a successful and enjoyable time.

**Best wishes,**  
Lorna Fanning

## Judges

### Ashlee Carrigan-Walsh

I feel incredibly honoured and privileged to have been asked to judge the 2026 ASHS National Show, and I am very much looking forward to seeing the best Australian Stock Horses in the country compete. I have been involved with horses from a young age, beginning my journey in the Open show ring. Eighteen years ago, I purchased my first Stock Horse and have never looked back, they truly are an exceptional breed. Today, we enjoy breeding and educating our own horses and thoroughly enjoy competing in both

Open and ASH events across the country, including most Royal and National Shows. Throughout my time as a Member of the ASHS, I have served on a number of committees and I am currently proud to hold the position of SEAMC President. Giving back to the sport that has given me so much is something I value greatly, and I love seeing strong competitor numbers at our events. I wish all competitors the very best of luck and look forward to seeing everyone out there!

### Marylou Hodges

My love of horses started in my early years riding behind cattle mustering and general work on the farm. My first Australian Stock Horse was a mare called Fleur de Les, who was registered by the Australian Stock Horse Society in the mid-70s. My background in horses is Pony Club, which has given the basis of what I utilise when judging, coaching and being around horses. Our first competitive ASH was a gelding purchased

from Peter Taubman. The rest is history, since my introduction to the world of the Australian Stock Horse, I have had success with all our Stock Horses either locally, regionally or nationally, always enjoying the people I meet along the way. I started judging at local events in hack and hunter classes prior to becoming an ASH Judge. I enjoy all aspects of judging but have a particular love of young stock. Highlights for me have been judging at Branch Shows and local agricultural shows where the program includes a Stock Horse ring. Youth classes bring the future to the ring, and I have enjoyed judging such classes very much. My inclusion at the 2026 ASHS National Show will be the highlight of my judging journey so far, and I am looking forward to being a part of it very much.

### Vicki Franklin

Vicki Franklin, together with husband Matt, operates Wyoming Stud, Ropeley, Qld, breeding and competing their brand of quality and versatile performance horses. Located near Gatton in south-east Queensland since 2019, they previously operated from their cattle station near Charleville in south-west Queensland, where horses earned their keep for both mustering and weekend social life. Wyoming Stud horses compete across a range of disciplines: campdrafting, challenges, showing, polocrosse, Pony Club and rodeos. Vicki has over many years, also held active positions on local campdraft and showing committees in the regions. Vicki has been an accredited horse judge for 40 years. This has allowed her the opportunities to judge across a range of disciplines and breeds, at agricultural and breed shows up to State and National level, including Royals. Vicki appreciates being given the opportunity to judge at the Australian Stock Horse Nationals and looks forward to the task of assessing the top quality of horses and horsemanship that will be competing – something she finds very rewarding.

### Susan Salmond

I've been riding horses since I was three years of age. I learnt to ride on old station horses and started competing at shows/gymkhanas when I was five. I've won the ACA Lady Rider six times, placed equal second in the Warwick Gold Cup and second in the Canning Downs, and won the Ladies at both Warwick and Chinchilla drafts. Gordon and I have judged campdrafts in most states. We've judged the ASHS State Championships in WA

and Victoria and the National Show at Warwick and Tamworth. I've judged Australian Stock Horses at the Brisbane Exhibition and the Ladies draft at Warwick.

### Sophie Bramucci

I have been around horses my whole life, riding with my dad from a very young age. Australian Stock Horses have been a big part of my life and career, being a Member for over 20 years now. I was born with a true love for horses that has never left me. I have turned that love into a great passion for breeding, campaigning and showing Australian Stock Horses all over the country. I thoroughly enjoy judging our beautiful breed over different

parts of Australia including at Branch Shows, Equitana and Victorian Horse of the Year. I have been involved in the Central Victorian Branch and SEAMC for a number of years, which I am very proud of. I feel an enormous amount of privilege and excitement to be invited to judge the 2026 ASHS National Show. I can't wait to see and judge the best that the country has to offer.

### Michelle Wilton

Michelle is a fourth-generation accomplished horsewoman who has a diverse background competing Shetlands, Australian Ponies & Harness Horses with her family, working in the Thoroughbred industry riding track work and then going on to show both Hacks and Stock Horses at Royal and National level. Over 25 years ago, Michelle, with her husband Adam, formed Adelle ASH Stud, becoming extremely successful in both breeding and training and competing Stock Horses. Michelle's success includes multiple Royal

and National Champions and Supremes in all aspects of ASH Hack, Working and ASHLA, as well as being the winner of the prestigious Black Horse and Prince of Wales trophies. Michelle loves showing her Stock Horses with Adam and her daughter Mia, who also enjoy a bit of campdrafting and team penning when they aren't competing at the big shows! Michelle is looking forward to judging at the ASHS Nationals this year and calls it a privilege.

# Dressage

Competitors should choose a single style – either competing in Australian Stock Horse-style attire, saddle and saddlecloth or “English Style” attire, saddle and saddlecloth/numnar. Refer to the ASHS Events Handbook for the rules and regulations.

The dressage is a timed draw, however should scratchings occur during the event, competitors will be requested to move-up. Competitors will be eliminated if they miss their time.

- Please ensure your horse is wearing its allocated breastplate number at all times during competition.
- Callers are permitted and no penalty will be incurred for using a caller in any test.
- Gear checks are compulsory. Please report to the Gear Check area 10mins prior to your test.
- Bridle: Leather or webbed reins are acceptable. Reins must be joined (no split reins permitted).
- For Preliminary, Novice and Elementary tests a plain snaffle bit is required.
- Cavesson, Hanoverian, dropped and crossover nosebands are permitted but not compulsory.
- Whips up to 1.2 metres in length are permitted. The tassel is included when measuring the whip.
- Spurs, where worn, are to be English spurs only. See EA rules for full conditions. Spurs must be a pair.
- Helmet: All competitors must wear an equestrian helmet approved by the current Australian Standards Association or international equivalent, which must be securely fastened under the chin. If you are a member of EA and rely on their personal insurance, you may need to comply with their headgear and helmets regulations.
- Note: Presentations will be unmounted. Competitors should be dressed neatly and with boots on.
- For the purpose of deciding a Champion at a level, if a clear winner is required the following criteria will decide the winner:
  - First placed horses will be allocated 35pts;
  - Second placed horses will be allocated 34pts;
  - Third placed horses will be allocated 33points, and so on to the last placed horse.
  - The Champion is the horse with the highest combined points of the two tests.
  - In the event of a tie, the Champion will be the horse with the highest aggregate percentage at that level.
  - In the event of a further tie, the horse with the highest percentage in the higher competition at that level will be deemed the Champion.
